## Account opening process with International Securities

When submitting the online application to open an account, the shareholder must write (MAIR Group Shareholders) in the field "Are you invited by an employee of International Securities?" to be identified within the list of MAIR Group shareholders in our records.

To get started, make sure you have the following required documents:

- Original passport and original national identity card
- Dated IBAN certificate issued by your bank
- Family Book extract (خلاصة القيد) for UAE nationals
- Salary certificate or bank statement for the last 3 months (for Emiratis and residents)
- Utility bill or any proof of address and bank statement for the last 3 months for non-Emirati residents
- Supporting documents for the relevant source of wealth

After successfully completing the account opening process, each shareholder will receive a welcome email containing their assigned client number at International Securities, and the necessary login details to access their trading account via the mobile application and the online trading platform.

To deposit funds into your trading account, you have two options:

**Option 1:** Deposit directly through the Central Bank of the UAE payment gateway (UAEPGS) using the following link: <https://www.intlsecurities.ae/uaepgs.aspx> (also available via our mobile app).

**Option 2:** Make a bank transfer to our bank account. You will receive the bank account details in the welcome email and the details will also be available via our mobile app in the cash deposit section.

We strongly recommend that the Human Resources Department or the relevant department send an email to all MAIR Group shareholders explaining the account opening process, the listing timeframe (when announced), and the category in which they must submit their applications.

If you have any questions, you can find answers to frequently asked questions on our website: <https://www.intlsecurities.ae/faq.html> or contact the customer support team for assistance.
