## Our Journey

# 1977-2001

## FOUNDATIONAL YEARS AND MARKET LEADERSHIP

MAIR Group's origins date back to 1977 with the establishment of Al Dhafra Cooperative Society, followed by Abu Dhabi Cooperative Society (currently ADCOOP) in 1981, and later other cooperatives formed the beginnings of the Group, marking the inception of modern retail in the UAE. Backed by a visionary leadership team and guided by H.H. Sheikh Zayed Bin Sultan Al Nahyan, the cooperatives swiftly became a cornerstone of the retail sector.

By expanding strategically, ADCOOP introduced multiple branches between 1986 and 2001, including the COOP Buteen Branch (1986), COOP Dana Branch (1996), and the launch of Megamart Hypermarkets at Abu Dhabi Mall (2001), which positioned the company as a dominant player in the hypermarket format.

# 2002-2009

## EXPANSION AND MARKET PENETRATION

The early 2000s marked a strategic expansion phase as ADCOOP diversified its footprint and service offerings, capitalizing on growth in the UAE's consumer market. This period also laid the foundation for parallel growth in commercial real estate, setting the stage for the next wave of expansion:

- **Retail Growth:** Expansion into high-demand areas, with new locations in Mina Center, Hamdan, Khalidiya Garden, and Sharjah (2002-2005), with first SPAR opened in the UAE (2011).

- **Operational Scale-Up:** By 2006, the company had grown to 11 branches and a workforce of 1,670 employees, strengthening its market position.
- **Sector Diversification:** The introduction of Costless Electronics (2002) and expansion into consumer electronics and home goods enabled ADCOOP to broaden its non-food retail presence.
- **Real Estate Integration:** The launch of Muroor and Al Nahda Branches (2007- 2009) signaled the group's increasing focus on retail-led real estate development.

## Our Journey Continued
